...where learning comes to life...

## WHAT TO BRING AND WHAT NOT TO BRING...

Young people and accompanying adults attending Treecreepers will need to be dressed appropriately for being outdoors, remembering the British weather!

### KIT LIST (please note this is for ALL times of year):

ALL CLOTHING AND SHOES MAY GET MUDDY OR WET WHILST AT TREECREEPERS - PLEASE CHOOSE WISELY AND REASSURE CHILDREN THAT DIRT IS FINE!

CHILDREN AND CLOTHES ARE 100% WASHABLE 😊

- Sturdy Shoes or wellies (wellies can get chilly and uncomfortable so please provide thick socks!).
- Long sleeved top and full length trousers.
- An extra warm layer and hat/gloves- fleece or wool are good.
- Waterproof coat (and trousers if available)

Young people who are inadequately dressed may not be able to participate for that session. Please contact us in advance if you are unable to provide appropriate clothing or footwear and we should be able to help.

PLEASE ENSURE CHILDREN DO NOT BRING ANY UNNECESSARY VALUABLES WITH THEM.

We reserve the right to safeguard valuables, mobile phones etc for any child for the duration of the session and cannot unfortunately guarantee their safety. The woods have a habit of concealing lost items. Please think carefully what your child NEEDS to bring.
